

Factory history

1996 : JENS was established at Science & Technology Park in Shenzhen

1997 : Get CE/GS approval of MWO, start to export to Germany

1999 : Developed the first Built in MWO in China

2001 : Started to work with Electrolux/BEKO/Fagor/Gorenje/Haier/Candy

2004 : Annual Production of MWO over 1Million pcs

2008 : Developed the built-in Oven/Hobs/Hoods

2014 : Developed built-in Coffee Machine

2016 : Developed the 4 in 1 built-in Combine Oven

2019 : Built new factory in Jiangmen covered over 50000 m²

2020 : Start to cooperate with Panasonic

2022 : Developed RV Microwave oven and Smart Microwave oven

2024 : Developed Smart Pet Washing Machine/ Sharing Coffee Machine/Bake oven

JENS Factory View

- 1) Factory Cover total 50000m²
- 2) 2 Production Buildings, 1 Apartment Building
1 Office Building
- 3) 6 Production lines (2Automatic production lines)
- 4) Production capacity 6M pcs, Total investment USD25M
- 5) Factory Add: B401 Block, No.337 Changfeng Road Changzhen Community, Yutang Office, Guangming Area, Shenzhen

Since1996
JENS[®]

COMMERCIAL MICROWAVE OVEN SERIES

Commercial MWO Series(Glass)

**25L
Commercial
MWO**

1200W/1000W/900W
MEW957-3/MEW957-2/MEW957-1
10 Auto Manul
1,200W Heavy-Duty Commercial-Grade Power
Function
Micro/Defrost/Digital Control/Digital Clock
Material
Control Panel: Tempered Glass
Heating: Import Magentron
Cavity: Stainless Steel
Technical specification
Power: 1200W/1000W/900W
Volumn: 25L
Heating: Flatbed cavity
Power Cord: 1.2m
N.W/G.W: 15.5/16.5 Kgs
Unit: 510(W)X382(D)X303(H)MM
Carton: 585(W)X460(D)X335(H)MM
Color: Black

Quick-start
Imported Magnetron

Commercial MWO Series(SS)

**25L
Commercial
MWO**

1200W/1000W/900W
MEW95M-3/MEW95M-2/MEW95M-1
10 Auto Manul
1,400W Heavy-Duty Commercial-Grade Power
Function
Micro/Defrost/Digital Control/Digital Clock
Material
Control Panel: Stainless steel
Heating: Import Magentron
Cavity: Stainless Steel
Technical specification
Power: 1200W/1000W/900W
Volumn: 25L
Heating: Flatbed cavity
Power Cord: 1.2m
N.W/G.W: 15.5/16.5 Kgs
Unit: 511(W)X382(D)X330(H)MM
Carton: 590(W)X465(D)X395(H)MM
Color: Stainless Steel

Quick-start
Imported Magnetron

Commercial Inverter MWO Series(Glass)

**25L
Commercial
Inverter MWO**

1400W/1100W
